

Ambassador Program..

DEAR PARENTS

Of all the "do-overs" we get in life, the Senior year only happens once. ONCE.

This is why I specialize in Seniors: to capture the moment and create memorable art to last a lifetime. As a mother of 4 I understand and relate to how you're feeling this senior year. My passion and goal is to provide an experience like no other, while building your son or daughter's self confidence. To show them they are truly **WORTHY, LOVED & BEAUTIFUL**.

This is your seniors chance to **TELL THEIR STORY**. I'm here to guide along the way, build a friendship, create amazing memories & celebrate with you.
Let's do THIS!

Senior Ambassador Team is a school year long program filled with many opportunities for photoshoots, meeting new friends and building the mother senior bond. This senior year goes fast and my passion is to help families press the pause the button and create memories to last a lifetime. Each year I have a group of seniors from various schools to come together to be on the senior ambassador team.

This program is \$475 and will cover your seniors whole year experience. We will do a meet and greet shoot, a stylized group shoot with professional hair & makeup, a mother senior tea, and many more experiences. Each senior will also book their own photoshoot that will be custom to each family.
(minimum purchase of the Lite Collection + session fee)

As a BONUS you will be gifted a FREE family session to use while your ambassador is a senior.

I would love to talk with you further to explain all of the details of the program, please give me a call at 760-335-6411 to set up your studio tour.

Blessings,

Melanie & Rosy
